St Edmund's College, Old Hall Green, Ware, Hertfordshire, SG11 1DS Telephone: 01920824335 Email: hr@stedmundscollege.org www.stedmundscollege.org

Dear Colleague,

Thank you for expressing an interest in a position at St Edmund's College.

I hope that this brochure will give you a sense of what we are looking for, as well as a flavour of this wonderful school.

Half an hour from London, yet nestled in 450 acres of breathtakingly beautiful Hertfordshire countryside, St Edmund's is a lovely place to live and work. Founded in 1568, as a seminary, then a boys' school, it is the oldest continuously operating and oldest post-Reformation Catholic school in the country, yet we are a modern, forward-thinking, imaginative and lively school. We are proud of our academic standing, but grades are not our sole focus. At St Edmund's the spiritual, academic, pastoral and co-curricular are of equal value. These four elements combine to create an education that is second to none.

The true measure of our success is found in the qualities of the young people we send out in the world: excellent but never arrogant; ambitious but never selfish; robust but never uncaring and faith-filled but never intolerant.

We are a close-knit community which looks after its staff. People enjoy working here, and your dedication and loyalty will be matched by a competitive salary and generous benefits, commensurate with your experience and the seniority of the post.

If you would like to discuss the post informally at any stage, please feel free to get in touch. In the meantime, we very much look forward to receiving your application.

With all best wishes, Yours faithfully,

Matthew Mostyn, Headmaster

# **Our Community**

The College has an incredible sense of community among its staff which can be felt immediately. The fascination of our setting is lasting and the Good Schools Guide describes the College as: "A successful, flourishing, dependable school with real spiritual heart."

Our 400 acre site with its large leafy grounds, impressive playing fields and attractive school buildings offers modern facilities in a country setting, providing a safe and stimulating environment for young minds. With excellent transport links and only 30 minutes by train to central London stations, the College is 20 minutes' drive from junction 25 of the M25, immediately off theA10. Also within easy access is London Stansted airport, which is a 20-minute drive.

At St Edmund's we strive to:

- Provide a rounded education for the whole person intellectual, physical, emotional and spiritual.
- Encourage students to demonstrate care and concern at home and in the wider community.
- Reflect the scholarship of St Edmund with a balanced and challenging curriculum for each individual.
- Show concern for all within the College community, demonstrate our collective commitment to be truly Christ-centred in all we do, and ensure that the students' experience of relationships within the College reflects the Gospel maxim, "Love thy neighbour as thy self".
- Build on our enriching Catholic heritage, making prayer, worship and liturgy a central part of our lives and our community.
- Create meaningful interaction between the College, home and the wider community and prepare our students to make their way in the world while making a difference to the world.

The ISI regulatory compliance inspection in November 2019 recorded that all eight parts of the standards were met.

Rooted in Christ and Catholic tradition and under the guidance of our patron, St Edmund, we aim to realise the God-given potential, in body, mind and spirit, of all members of our community through service and leadership.

The College is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All applicants will be required to undergo child protection screening, including checks with past employers and the Disclosure and Barring Service (DBS).

# **Our History**

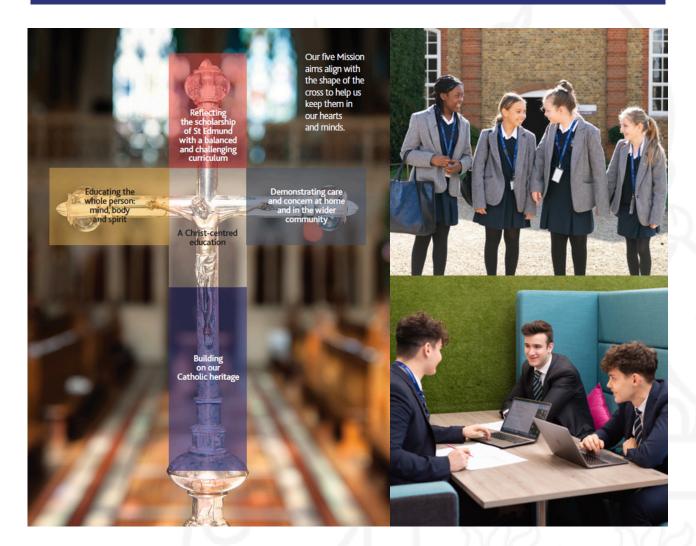

Founded in 1568,St Edmund's College is the oldest Catholic school in England, offering an all round co-education for students from 3 to 18. Our community values both academic excellence and the achievement of one's personal best, right through from our Prep school, to Sixth Form and beyond.

We are proud of our academic achievements at GCSE and A Level. Originally located in Douai, France as a seminary to train priests, the College also became a Catholic school for boys. During the French Revolution, it transferred to England and found its present home on the beautiful site of Old Hall Green in 1793.

In 1874 the junior boys were separated from the rest of the College into St Hugh's Preparatory School, which became St Edmund's Prep in 2010, and in 1974 girls from the adjacent Poles Convent were admitted to Rhetoric as the first stage towards co-education, which was accomplished by the closure of Poles in 1986.

# Five Year Strategic Plan

The Governors' and Headmaster's aim is to raise our standards even further, with continued investment in staff, buildings and resources, and they have developed a Five Year Strategic Plan, which is inspired by the College's Five Mission Aims:

- Christ Centred Education
- Scholarship of St Edmund
- Education of the Whole Person
- Home and the Wider Community
- Catholic Heritage

### What advantages do our staff enjoy?

There are many advantages enjoyed by most independent schools and their staff: a disciplined environment, the opportunity for teachers to express their passion for their subjects, good resources, smaller class sizes and greater professional freedom for all members of our staff community. Relationships between students and staff, both teaching and non-teaching, are extremely strong.

We hold professional development to be of the utmost importance, and have a generous training budget for that purpose, as well as an established appraisal system.

The College offers the following benefits:

- Excellent catering facilities including school lunches during term time when the kitchens are open, cakes and biscuits during break times in the staff common room and hot drinks machines.
- Use of the College sports facilities when not in use by students, including the gym.
- For children of staff:
  - Discretionary discount on College Fees, subject to completion of the admissions process.
  - After school club and breakfast club charged at cost.
  - Parties for children of staff including at Easter and Christmas.
- Free parking.
- Cycle to Work Scheme.
- Access to free counselling and health advice helplines.
- The College has its own pay scale, above national averages
